ART LEAGUE IS PREPARING POSTERS

The May Day fête which the Kilo-hana Art League is planning to hold in Governor Clegg's grounds on April 30 is to be very elaborate. A special meeting of the finance committee of the league was held this morning to draw up a definite line of action.

It is anticipated that between five and six thousand persons will visit this fête, and special arrangements are being made to entertain these people. In addition to a May-pole dance by a number of children who are being trained by Mrs. Gunn, selections by local amateur and professional talent will form one of the features of the day.

The May Queen has not been selected. The grounds will be profusely decorated with banners from the College Club, and special entertainment will be provided for old and young.

Several local artists have submitted designs for the posters to be used in advertising this fête, which in themselves are works of art. These posters will be placed in several of the principal store windows of the city in the near future.

CAMPBELL MANSION FOR ARMY POST

The Campbell mansion on Emma street may become the general headquarters of the army officials stationed in these islands if the recommendations of General Barry and Colonel Biddle be taken.

While these two officers were here a short time ago this particular place was suggested as a most fitting residence for headquarters of army officials and as it is thought that the islands will be made a separate division after the completion of the fortifications and other United States works are completed.

No actual move has been made in the matter of securing the Campbell mansion but it will probably be the place chosen when the time comes.

THE "QUESTION MAN."

It is possible that on Friday next a man, clothed in the authority of a census taker may stand you up and ask a lot of fool questions, but take it as a pointer that it is best to answer him "to the best of your knowledge and belief." All replies you make to the enumerators are held strictly confidential and a severe penalty will be visited on him should he resemble anything but a claim in regard to what you have confidence to his faithful breast about your private affairs.

A sufficient number of enumerators have been appointed and the work of taking the census of Hawaii will be commenced on all the islands simultaneously.

PILES CURED IN 6 TO 14 DAYS.
PAZO OINTMENT is guaranteed to cure any case of Itching, Blind, Bleeding or Protruding Piles in 6 to 14 days or money refunded.—Made by PARIS MEDICINE CO., Saint Louis, U. S. of A.
